PRE-K AND KINDERGARTEN GRADUATION !!
MARK YOUR CALENDAR FOR JUNE 17TH!

It is hard to believe that another school year has come and gone so quickly! It has been a wonderful year full of fun, growth and memories to cherish. We have watched your children grow and develop in all areas. We have seen them develop their social skills and make new friends. We have watched them with much pride as they have participated with enthusiasm in our school activities. They have had an excellent start and a good, strong foundation. We are confident that our children will be most successful and will do well in the years to come.

All of our children have completed one phase of their development and are now opening a new chapter in their lives. Their lives are stretched out before them. Their goals and dreams can all come true. The gift of love and acceptance is the most important gift you can give your child.

Thank you for your cooperation, suggestions, help and participation. You have been instrumental in making our school environment happy, comfortable, positive and loving.

We wish all our Boulevard School families & friends a safe, healthy and wonderful summer!
