

THE BOULEVARD SCHOOL

SUMMER CAMP 2021 SWIMMING LESSONS

JUNE 21st - AUGUST 13th

During Summer Camp we are happy to offer your child swimming lessons in our heated pool while your child is attending camp. Our very successful swimming program is available to all children enrolled in our Summer Camp.

Each summer children ranging in ages from 2 to 7 years learn to swim and become water safe. The children learn pool safety as priority #1. Next they work on breathing techniques and learn new swimming strokes.

Lessons for 2 and 3 year olds will be private one-on-one lessons. Lessons for 4 year olds and up will be semi-private (2-on-1). Lessons are given during the day while your child is attending Summer Camp and are 20 minutes in length. We make every effort to make up any missed lessons.

We hope you take advantage of the convenience and quality of our on-site swim program. We have experienced, fully qualified, and certified swim instructors.

If you are interested in enrolling your child in our excellent, fun-filled swimming program, return this enrollment form with your payment information to the school office to reserve your spot. Space is very limited. If your child will be missing part of Summer Camp due to family vacation, etc., we can make-up or pro-rate missed lessons.

Child's name: _____

Swim Lessons:

2 lessons / week for 8 weeks - \$ 400 3 lessons / week for 8 weeks - \$ 600
